INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Ticket to Dream Foundation
Rocklin, California

Report on the Financial Statements

We have audited the accompanying financial statements of Ticket to Dream Foundation (a nonprofit corporation), which comprise the statements of financial position as of March 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ticket to Dream Foundation as of March 31, 2019 and 2018, and the changes in net assets and its functional expenses and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

TICKET TO DREAM FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2019 AND 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Operations

Ticket to Dream Foundation (the Foundation) was organized in March 2008, as a nonprofit mutual benefit corporation under the laws of the State of California. The Foundation was created to make a positive impact on the lives of thousands of children in need. Through its various programs, the Foundation provides both material and monetary contributions to nonprofit organizations throughout the United States to support charitable causes and nonprofits, with a particular emphasis on charities related to foster children.

The principal programs of the Foundation comprise:

Essentials – Through the Essentials for foster kids program, the Foundation holds six collection drives throughout the year to collect in-kind donations such as new clothing, shoes, school supplies and toys that allow foster youth to have the everyday items they need, while also boosting their self-esteem and ability to fit in with their peers.

Go Play! – The Foundation’s GoPlay! program brings joy and normal childhood experiences to foster youth across the nation by providing access to extra-curricular activities.

Take Flight – Through the Take Flight program, the Foundation’s goal is to empower foster youth for the future, particularly preparing youth prior to and while aging out of care. Proceeds benefit nonprofit organizations that support current and former foster youth throughout the United States with pursuing secondary education and transitioning into independent living.

Basis of Accounting and Presentation

The financial statements of the Foundation have been prepared on the accrual basis of accounting and are presented in conformity with Financial Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC) Topic 958, *Not-for-Profit Entities*. In accordance with ASC Topic 958, the Foundation is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions. As of March 31, 2019, and 2018, there were no net assets with donor restrictions.

Fair Value of Financial Instruments

The Foundation has financial instruments whereby the fair market value of the instruments could be different than that recorded on a historical basis on the accompanying statement of financial position. The financial instruments consist of cash and cash equivalents, accounts receivable, prepaid expenses, inventory, accounts payable, and accrued expenses. The carrying amounts of the Foundation’s financial instruments generally approximate their fair values at March 31, 2019 and 2018.

TICKET TO DREAM FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2019 AND 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash and cash equivalents are considered to be all highly liquid investments with original maturities of three months or less. Cash equivalents are stated at cost, which approximates their market value.

Accounts Receivable

Management considers all accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts has been recorded for the years ended March 31, 2019 and 2018. Balances that are still outstanding after management has used reasonable collection efforts are charged to operations when that determination is made.

Inventory

Inventory consists of clothing and accessories which were collected through in-kind contributions and have yet to be distributed to foster youth. Inventory is valued as discussed in "In-Kind Contributions" below.

Revenue Recognition

Event revenues are recognized when the related event occurs. Contributions and in-kind contributions are recorded when received. Interest and other revenues are recorded when they are earned. All funds collected in advance are recorded as deferred revenues until earned. Contributions that are not restricted by the donor and contributions that are restricted by the donor, but whose restrictions are met in the same reporting period, are recorded as an increase in net assets without donor restrictions. Contributions that are restricted by the donor where the restrictions are not met in the same reporting period are recorded as net assets with donor restrictions.

In-Kind Contributions

During the Foundation's annual collection drives, new and gently-used non-cash items, such as clothing, school supplies, and toys, are collected for local foster children. Fair market value of these in-kind donations is determined based on average retail costs of the items whether they are new or used. In addition, in-kind contributions are received from the Foundation's business partners and supporters for golf tournament auctions. The value of the contributions is determined based on current retail value of the items at the time that they are received.

TICKET TO DREAM FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2019 AND 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Foundation was organized as a California nonprofit organization and is exempt from income taxes in accordance with Section 501(c)(3) of the Internal Revenue Code (IRC). The Foundation has been classified as an organization other than a private foundation under IRC Section 509(a)(2) and qualifies for the charitable contribution deduction under Section 170(b)(1)(A). This allows for donations to the organization to be deductible as charitable contributions on the donors' income tax returns. However, income from certain activities not directly related to the organization's tax-exempt purpose is subject to taxation as unrelated business income. As of March 31, 2019 and 2018, the Foundation did not have net unrelated business taxable income.

The Foundation's tax returns are subject to examination by federal and state tax jurisdictions. There are no examinations currently in process. With few exceptions, the Foundation is no longer subject to U.S. federal examinations for years prior to fiscal year 2016, or state examinations for years prior to fiscal year 2015.

Financial Restrictions and Availability

The Foundation is substantially supported by cash and in-kind contributions from private parties and various business partners. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date. The Foundation has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Program and Support Function Cost Allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and payroll taxes, dues and subscriptions, management fees, and travel expenses, which are allocated on the basis of estimates of time and effort.

Concentrations of Credit Risk

The Foundation maintains cash in demand deposit accounts with federally insured institutions. At times during the fiscal year, the balances in these accounts may exceed the federally insured limits. The Foundation has not experienced any losses on such accounts and believes they are not exposed to any significant credit risk on cash and cash equivalents.

Reclassification

Certain prior year amounts have been reclassified to conform to current year presentation.

TICKET TO DREAM FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2019 AND 2018

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

In preparing the accompanying financial statements, management has considered events that have occurred after March 31, 2019, through August 9, 2019, the date these financial statements were available for issuance. Management was not aware of any additional subsequent events requiring disclosure.

New Accounting Pronouncements

In February 2016, the FASB issued Accounting Standards Update (ASU) 2016-02 amending the accounting for leases. The new standard requires the recognition of lease liabilities, and a corresponding right-of-use asset, for any non-cancellable leases with terms in excess of 12 months. Presentation of leases within the statements of activities and cash flows will be generally consistent with the current lease accounting guidance. The ASU is effective, retrospectively, for the year ending March 31, 2021. Management is assessing the impact the ASU will have on the Foundation's statement of net assets.

In August 2016, the FASB issued an accounting standard update that changes the financial statement reporting for not-for-profit entities. The accounting standard update has been implemented retrospectively for the Foundation for the year ending March 31, 2019. The main provisions of the accounting standard update are as follows:

- Present on the face of the statement of financial position amounts for two classes of net assets (net assets with donor restrictions and net assets without donor restrictions) instead of the previously required three classes.
- Enhance footnote disclosures about designations and restrictions of net assets.
- Enhance footnote disclosures to provide qualitative information that communicates how a not-for-profit entity manages its liquid resources available to meet cash needs for general expenditures within one year of the balance sheet date.
- Enhance footnote disclosures to provide qualitative information, either on the face of the statement of financial position or in the footnotes that communicates the availability of a not-for-profit organization's financial assets at the statement of financial position date to meet cash needs for general expenditures within one year of the statement of financial position date.
- Enhance footnote disclosures about the method(s) used to allocate costs among program and support functions.

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

TICKET TO DREAM FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2019 AND 2018

NOTE 2: OPERATING LEASE

The Foundation leases office space under a non-cancelable lease agreement through December 31, 2021. Total rent expense for the years ended March 31, 2019 and 2018, was \$15,066 and \$3,738, respectively.

The future minimum payments under this lease agreement as of March 31, 2019, are as follows:

<u>Year ending March 31,</u>	
2020	\$ 15,525
2021	15,993
2022	12,258

NOTE 3: RELATED PARTY TRANSACTIONS

Some officers and directors of the Foundation are also employees or officers of Bunker Wilson, LLC and Mattress Firm, Inc. (MFRM). As a result, Bunker Wilson, LLC and MFRM are related parties to the Foundation.

Bunker Wilson, LLC provides limited administrative resources and support to the Foundation, including computer and office equipment, office supplies, and office space, as well as administrative support. The Foundation reimburses Bunker Wilson, LLC for the administrative resources and support which it provides and the related expense is recorded as management fees in the accompanying statement of activities. During the years ended March 31, 2019 and 2018, the Foundation recorded \$436,778 and \$331,200, respectively, in management fees from Bunker Wilson, LLC, which is included in the accompanying statements of activities. Related to these management fees, the Foundation has recorded payables of \$7,518 to Bunker Wilson, LLC as of March 31, 2019. There were no payables to Bunker Wilson, LLC as of March 31, 2018.

MFRM donates limited administrative resources and support to the Foundation, including computer and office equipment, office supplies, office and warehouse space, as well as administrative, advertising, public relations and external communications support. The Foundation does not reimburse MFRM for the administrative resources and support which it provides. As such, the resulting revenue and related expenses have been recognized in the financial statements for these donated administrative resources and support at their estimated fair values. During the years ended March 31, 2019 and 2018, the Foundation received \$12,953,815 and \$16,021,183, respectively, in contributed advertising and \$662,248 and \$831,838, respectively, in contributed personnel costs from MFRM, which is included in the accompanying statements of activities. In addition, during the years ended March 31, 2019 and 2018, MFRM collected cash donations on behalf of the Foundation in MFRM stores. Related to these collections, the Foundation has recorded receivables from MFRM as of March 31, 2019 and 2018, of \$1,740 and \$3,077, respectively.

TICKET TO DREAM FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2019 AND 2018

NOTE 4: FUNCTIONAL ALLOCATION OF EXPENSES

The Foundation allocates its expenses on a functional basis between its program and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural classification. Any expenses that are common to several functions are allocated among the programs and support services benefited. For the year ended March 31, 2019, these expenses were approximately 98% for program expense and 2% for supporting services. For the year ended March 31, 2018, these expenses were approximately 99% for program expense and 1% for supporting services.
